

Additional information for homeschooled students or students from non-participating schools wishing to enter the contest individually:

Students who wish to participate must reside in the city of Norfolk. Addresses will be verified for winning reviews.

All reviews will be submitted online, and coded for anonymity. The coding is as follows:

School Code-Grade Level- Student Number

For example: 700-08-12345

700 is the code for all homeschool students, 08 is the fictional grade level, and 12345 is the fictional student's number, which can be arbitrarily assigned for homeschooled students. Students from non-participating schools can also use an arbitrary number instead of an NPS student number, but should use the 700 code and appropriate grade level.

We will ask each homeschool teacher or student's parent to submit his, her, or their students' reviews in PDF form no later than 6:00 PM on March 15th.

For additional information on the new format for submissions, please see the attached rules. Instead of the recording form, each homeschool teacher or parent should provide his, her or their name and contact information, as well as the student's names, in the body of the email, and attach the review as a PDF. Each homeschool review should be submitted separately.
